KRUGER– Supt. Kudrick has spoken with Kruger, and they still have no idea what is happening with the air sparges as they have never had this problem happen before.

SNHU– Supt. Kudrick is trying to contact a representative from SNHU to come and discuss the excess usage the dining hall is using over the original dining hall. There are also plans in the works to create a new parking lot near the Martins Ferry pumpstation.

SCHEDULED APPOINTMENTS

LEO LESSARD – Mr. Lessard came to speak to the board regarding stormwater regulations discussed at the last NH Stormwater Association meeting. As he thought before, Mr. Lessard believes that the Wastewater Department does not have to be involved in any new regulations as the sewer and stormwater systems are separate in Hooksett. There was also some discussion about warrant articles and the need for a town engineer.
