

Hooksett Sewer Commission
February 4, 2019
Workshop Minutes

INITIAL	COMMENTS
B	
FRK	

This workshop was held between 10:00am and 12:00pm. A list of those in attendance is attached. The purpose of the workshop was to get everyone that needs to be involved, together to discuss the possibility of the Hooksett Waste Water Treatment Plant housing the Shincci dehumidification/dryer for a trial period to treat the plant's bio-solids. The workshop was for informative purposes only and no decisions were made.

Respectfully submitted,

Frank Kotowski
Clerk

F.R.K.
