Hooksett Sewer Commission

Workshop Meeting Minutes

October 31, 2019

At 7:30am Chairman Sid Baines, Commissioner Frank Kotowski and Superintendent Bruce Kudrick took a trip to the Town of Brattleboro, Vermont to observe the operation of the Shincci Sludge Dryer recently installed the wastewater treatment facility. This dryer is the first scale dryer in operation at a Wastewater Treatment facility in the United States. This dryer is similar to the one being installed in Hooksett, NH.

This trip was for observation purposes only.

No decisions were made.

Respectfully Submitted,
